N A R R A T I V E 1	Topic	ORIGINAL NARRATIVE
	<p>On 9/26/12, at approximately 1808 hours, I responded to [REDACTED] ([REDACTED]) in reference to a missing adult Baker Act patient.</p> <p>The patient was identified as Casey Joseph Belisle and he was a Baker Act being admitted by Dr. Minto. The patient was brought to the emergency room earlier in the day in reference to a possible overdose. While at the emergency room he made comments to Dr. Minto of being depressed and having suicidal thoughts but did not have a plan to carry out such thoughts. The patient was observed at approximately 1745 hours standing by the emergency room rear door exit by the staff and when questioned he asked where the bathroom was. He was directed to the bathroom and never returned to the emergency room. His location upon which he exited the hospital was unknown to the staff it was believed he entered the hallways to the hospital and was not seen exiting a specific doorway.</p> <p>At approximately 1901 hours, I responded to 8922 S U.S. Hwy 1 (Good Samaritan Ministries) in reference to a report of Casey Belisle possibly being at the location. Upon arriving I made contact with Vito Vitetto the pastor of the Good Samaritan Ministries, Casey Belisle was sitting in a chair next to Mr. Vetteo. Ofc Ghobrial arrived on scene along with Deputy Oxley of the St. Lucie County S.O. and Casey was placed in protective custody by Deputy Oxley. While on scene Casey stated he did nothing wrong and left the emergency room because the staff left him sitting alone for two hours. He was transported back to the [REDACTED] at [REDACTED] by Deputy Oxley.</p> <p>Casey Belisle was turned over to the emergency room medical staff and was re-admitted as a Baker Act by Dr. Minto.</p>
